Notes:
1. EBITDA has been calculated in accordance with the definition in the Issuer / Borrower Loan Agreement ('IBLA').
2. The first covenant testing under these Notes was December 2014.
3. Free Cashflow DSCR ratio is only tested with regard to potential Restricted Payments as defined in the IBLA. It should also be noted that, for the purpose of Restricted Payments only, the target ratio for EBITDA DSCR is 1.85 : 1.
4. The Class A notes due 2034 and Class B notes due 2049 were issued on 17 October 2014. Consequently, Senior Interest only accrues from this date for the Relevant Period. Debt service, assuming a full year Senior Interest would have been approximately £33.7m. On this basis, the EBITDA DSCR at 25 September 2015 would have been 3.38:1 (26 June 2015: 3.38:1; 27 March 2015: 3.25:1; 26 December 2014: 2.95:1) and the Free Cashflow DSCR at 25 September 2015 would have been 3.14:1 (26 June 2015: 3.11:1; 27 March 2015: 2.92:1; 26 December 2014: 2.47:1).
5. As the impact of the Accounting Standards Change had no effect on the Financial Covenants at 25 December 2015 and only increased Debt Service by £0.1 million, amounts for the Relevant Period ended 27 March 2015, 26 June 2015, 25 September 2015, 25 March 2016, 24 June 2016 and 23 September 2016 have not been restated. See the Investor Report for the Relevant Period ending 30 December 2016 for further information.
6. Ratio's include any cash transfer made from outside of the Securitisation Group. See detailed Investor Report for the relevant period for further details.
7. In line with the amendment deed to the IBLA dated 5 September 2023, the Debt Service for the Relevant Period used within the Financial Covenant and Restricted Payment Condition ratios has been adjusted downwards by £7.5 million following the June 24 Prepayment and the 16 July 24 Prepayment. Both Prepayments, for the purpose of calculating Debt Service under the IBLA, is treated as having been made immediately prior to the beginning of the applicable Relevant Period and any portion of interest and principal is consequently adjusted downwards on a pro forma basis.
8. In line with the amendment deed to the IBLA dated 5 September 2023, the Debt Service for the Relevant Period used within the Financial Covenant and Restricted Payment Condition ratios has been adjusted downwards by £2.0 million. This is following the Prepayment made on 28 July 2025 which for the purpose of calculating Debt Service under the IBLA, is treated as having been made immediately prior to the beginning of the applicable Relevant Period and any portion of interest and principal is consequently adjusted downwards on a pro forma basis.
9. In line with the amendment deed to the IBLA dated 5 September 2023, the Debt Service for the Relevant Period used within the Financial Covenant and Restricted Payment Condition ratios has been adjusted downwards by £6.6 million. This is following the Prepayment made on 28 July 2025 and 31 December 2025 which for the purpose of calculating Debt Service under the IBLA, is treated as having been made immediately prior to the beginning of the applicable Relevant Period and any portion of interest and principal is consequently adjusted downwards on a pro forma basis.
10. In line with the amendment deed to the IBLA dated 5 September 2023, the Debt Service for the Relevant Period used within the Financial Covenant and Restricted Payment Condition ratios has been adjusted downwards by £6.5 million. This is following the Prepayment made on 28 July 2025 and 31 December 2025 which for the purpose of calculating Debt Service under the IBLA, is treated as having been made immediately prior to the beginning of the applicable Relevant Period and any portion of interest and principal is consequently adjusted downwards on a pro forma basis.
