# Urns and caskets

An urn or casket is designed to safely hold the ashes of a loved one. Produced to suit a range of wishes, traditions and beliefs, these options provide a dignified resting place.

We offer a beautiful range of urns, crafted from materials such as glass, finely detailed pewter and traditional brass. Biodegradable options are available for those seeking a more environmentally friendly farewell, as well as keepsake urns for families who wish to keep a small portion of ashes at home or split between multiple family members.

Our caskets are available in wood or woven natural materials, with a variety of designs and finishes.

# Pewter urns

The pewter urns are handmade in Sheffield and are available in two designs: Classic and Eaton.

Each features a simple design with a brushed satin finish and can be personalised with inscriptions and artwork.

We also have a matching, heart keepsake urn available.

# Biodegradable urns

Biodegradable urns are an eco-friendly way to lay ashes to rest, ideal for green funerals and some religious ceremonies. They are made from materials like cellulose or air-dry clay, which break down naturally and release the ashes. The Hielo and Fuego products are made from fired clay, making them better suited for keeping at home.

Some of the urns are only suitable for water or natural burial, but can be stored safely in a dry place until needed.

**Limbo Olea**

Designed for ground burial, water interment and tree planting.

**Limbo Riviera**

Designed for water committal - the exterior can be decorated for a personal farewell.

**Limbo Samsara**

Designed for ground burial and water interment.

**Tierra Pura, Arena, Bola & Rio**

Ideal for temporary storage at home, prior to ground burial or water committal.

**Limbo Nu**

Designed for burial at sea only.

**Tierra Hielo & Fuego**

Ideal for homes, placement in a niche, or ground burial.

# Keepsake urns

Keepsake urns are small in size and thoughtfully designed to hold a portion of ashes. They allow families to share the ashes among several people and locations, or to keep a small amount aside while the remainder is interred, scattered, or placed in a larger urn.

# Caskets

Wooden and woven caskets offer a natural alternative to traditional urns, bringing warmth and character to each design. Wooden caskets are carefully handcrafted with timber, showcasing their natural grain, and can be personalised with bespoke designs. Woven caskets, by contrast, offer a softer texture which harmonises well within a natural burial setting.

# Double caskets

The wooden casket, along with selected designs from our woven casket collection, can be chosen to accommodate two sets of ashes, offering a meaningful way to keep loved ones together. Thoughtfully crafted with both beauty and practicality in mind, these caskets provide a shared resting place that reflects a lasting bond and enduring connection.

# Scatter tubes and woven pouches

Scatter tubes and woven ashes pouches offer a secure and simple way to hold ashes at home, or before scattering.

These woven scatter tubes are 100% biodegradable and environmentally friendly. Each tube comes with an internal cotton bag to hold the ashes, which can be easily tied and untied for scattering in multiple locations. A cotton presentation bag is also included, to protect the tube and make it easier to carry.

### Scatter tubes

Scatter tubes are made from 90% recycled materials, and are eco-friendly containers. They come in different designs and sizes, providing options for shared ashes, repatriation or a personal keepsake.

### Woven ashes pouches

Crafted from natural materials and available in various sizes, these pouches provide a simple and meaningful way to hold ashes. Secured within a natural calico bag, they are suitable for keeping at home or for scattering.

# Memorial jewellery

Memorial jewellery serves as a cherished keepsake, allowing you to keep your loved one close, while becoming a tangible symbol of their memory.

# Ashes into Glass

Ashes into Glass provides a beautiful range of memorial pieces that transform a small amount of ashes into keepsakes. Their handcrafted rings, earrings, cufflinks, necklaces, and charm beads allow families to carry a personal connection with them, with each gemstone uniquely formed as the ashes fuse with the glass and set in either gold, white gold or silver.

Choose from two collections within the Ashes into Glass range: Classic and Halo.

**The Classic Collection** combines elegant simplicity with lasting durability, offering a refined, timeless design that will be cherished for generations.

For those seeking an enhanced level of luxury, **The Halo Collection** features certified real diamonds delicately set around the ashes centre stone. The diamonds capture and reflect light beautifully, creating a striking display. Securely wax-cast into the metal, each diamond is designed to maintain its beauty and sparkle for years to come.
